Comment Date: October 27, 1997

Reply Comment Date: November 12, 1997

By the Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by Wild West Broadcasting Company, Inc. ("petitioner"), requesting the allotment of Channel 234A to Goldsmith, Texas, as the community's first local aural transmission service. Petitioner states it will apply for the channel, if allotted.

2. In support of its request, petitioner states that Goldsmith is located in Ector County which has a population of 123,600 persons. The post office located in Goldsmith serves 200 customers. Petitioner submits that Goldsmith is a Census Designated Place ("CDP") with its own city council, grocery stores, restaurants, service stations and churches. It also submits that Goldsmith is served by the Ector County Independent School District.

3. We believe petitioner's proposal warrants consideration since it could provide Goldsmith<sup>1</sup> with its first local aural transmission service. Channel 234A can be allotted to Goldsmith in compliance with the Commission's minimum distance separation requirements

<sup>1</sup> According to the 1990 U.S. Census, Goldsmith is an incorporated community with a population of 297 persons.

with a site restriction of 11.9 kilometers (7.4 miles) southwest.<sup>2</sup>

4. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:
